ONE NAME FOR ALL YOUR HOTEL NEEDS

About Us

Don't worry, you're in safe hands.

Laxmidas Enterprises was established in the year 1959 under the banner of "Laxmidas & Company". Our founder Mr. Natwarlal A. Mehta quickly made himself credible as the master of fabrics and opened the first 2-storey showroom. We established Laxmidas Enterprises in Juhu in the year 1984 and made ourselves popular in the industry of uniforms and linen. Providing high quality customer service at an economic price, we boast of having one of the lowest client turnovers in the industry.

With combining with our partners at Jalaram Traders who supply crockery, cutlery and glassware, we can truly live our motto of – "One name for all your hotel needs".

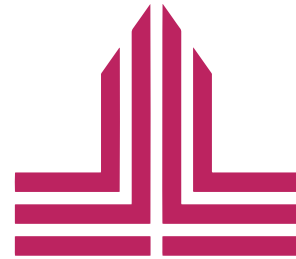

We have placed ourselves in Mumbai and internationally to ensure a smooth and efficient supply chain. Having outlets in Juhu, Crawford Market, Borivali, Nairobi and agents in China, we're able to manage a high volume of orders. We export our made in India uniforms to the UK, the US, Africa and the Middle East. We cater to hotels, restaurants, spas, salons, hospitals and corporate houses. We have mastered the intricate process of initiation, guidance, manufacturing, supplying and after sales services.

We would like to offer our fine services to your company. Please contact us and we shall follow up from that point.

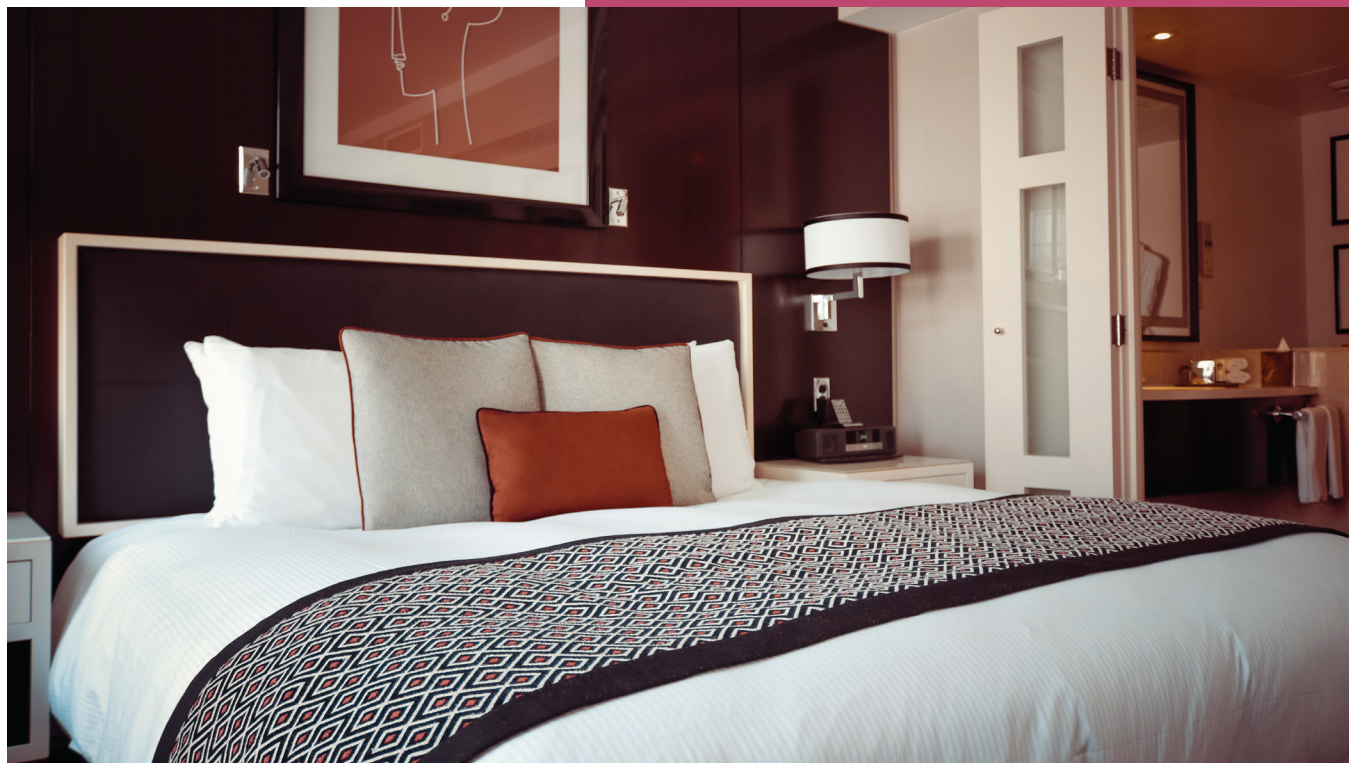

At Laxmidas, a client is not merely a transaction but a mutually beneficial and a lifelong relationship.

Having said this, it would be an honour for us if you will allow us to work with you in the near future.

Sincerely,
Pankaj Mehta
